ReJoint Bosnia & Croatia 2025 for JSC & RIG alumni

At JDC Entwine, we believe in inclusivity and understand that financial circumstances vary among our participants. We welcome all JSC & RIG alumni who are passionate about embarking on ReJoint Bosnia & Croatia 2025 to have the opportunity to participate, regardless of financial barriers.

Participation fees for **all** Insider Trips are highly subsidized in order to provide greater access and opportunity for participation (the average cost of an Insider Trip is estimated at \$4,500/person). The participation fee reflects the minimum expected participant contribution beyond inherent subsidies. To ensure accessibility and equal opportunity, we have implemented tiered participation fee options based on each participant's ability to contribute to the cost of the trip.

Tiered Participation Fee Options:

- **Tier 1 [\$1,500 participation fee]:** This tier represents the full cost for the expected participant contribution. This generous contribution will directly support Entwine's mission and enable us to continue our work to the fullest capacity.
- **Tier 2 [\$1,000 participation fee]:** This tier offers a reduced participation fee, reflecting a partial expected participant contribution.
- **Tier 3 [\$500 participation fee]:** For those with limited financial means, this tier provides the maximum subsidy amount.

We understand that circumstances vary, and we are committed to ensuring that financial constraints do not hinder anyone from participating. As with all tiers, your willingness to contribute what you can is deeply appreciated.
