

Global Campus: FAQ

Mallorca

Where: Mallorca, Spain

When: February 19-22, 2026

Why: meet new friends! explore a new city! have a meaningful and unique Shabbat while abroad! be connected to Jewish life around the world!

How much does this cost?

The standard fee for this trip is \$150. We have a limited number of additional \$50.00 subsidies available based on need and availability - be in touch with Raya directly. The participation fee covers all accommodations, meals, guided tours, activities, museum visits, Shabbat experience and the overall experience. It does not include your transportation to and from Mallorca and arrival/departure to and from the hotel.

What does the program actually look like?

See our draft itinerary [here](#) (subject to change).

- Highlights include: trying local cuisine, immersive city touring, a fun Shabbat experience (with locals!), free time to explore on your own, and a chance to make a ton of new friends!
- General trip expectations include: days that include lots of walking (upwards of 3+ miles per day), walking up and down hills, on uneven ground, and in inclement weather (i.e. rain, heat, humidity, etc.)
- You can also expect early mornings, late nights, and days that are spent as a cohort doing group activities

Wow sounds like a packed itinerary! Will I have any free time?

Yes! We know you will want time to explore on your own, shop, nap etc. so every day we will build in time for you to do just that.

Jewish Observance:

JDC Entwine programs are pluralistic and designed for all levels of Jewish observance; travel is not required on Shabbat. When possible, Shabbat is spent with the local Jewish community and local traditions/practices are observed. A variety of options are given throughout the day on Shabbat that will all be Shabbat-friendly. All food will be Kosher-style.

Are all activities mandatory?

Yes! We have built in a lot of free time and optional activities. For non-optional activities we ask for full attendance to ensure a cohesive group experience. As this trip is at a subsidized cost, we expect full participation.

Why travel with Entwine?

- This is a fully organized trip (outside of your travel to and from) so no worries on your end - sit back & relax & enjoy the ride!
- As part of JDC we are connected to the local community and aim to provide an authentic and intentional travel experience.
- We have been leading trips for over a decade!
- We try to incorporate Jewish values into everything we do to ensure that our programs are a space for you to learn, meet new people, and have fun.

Am I the right fit for this trip?

We are seeking study abroad students who are interested in participating in a group travel experience and learning about the global Jewish community. KAHAL participants come from a wide range of diverse backgrounds and experiences. We encourage you to apply if you are interested!
